STORY

THE AFANASYEV FRAMEWORK

The Afanasyev Framework

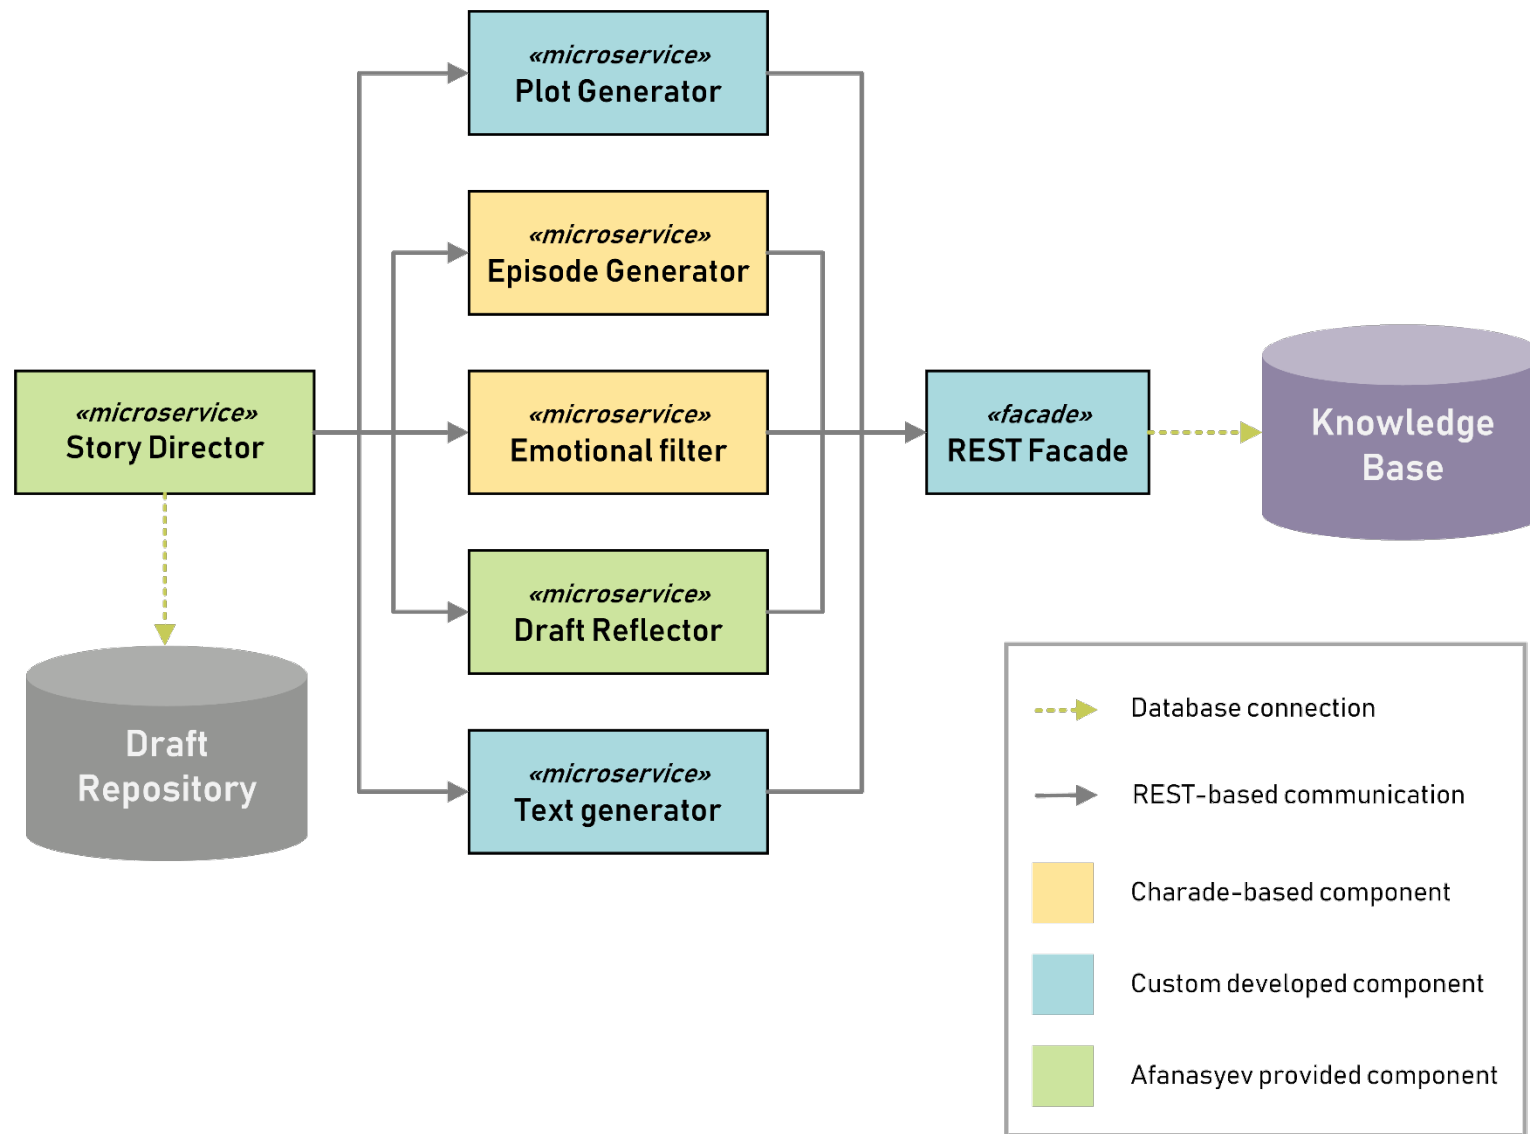

A scene from the movie Charade. A man in a dark suit and tie stands on the left, looking towards the right. A woman in a red dress and white hat stands on the right, holding a yellow object. They are outdoors, with a bridge and buildings in the background.

CHARADE

Charade is a simulation-oriented agent-based story generation system.

It is focused on generating stories about the evolution of the relationships between characters by running an unrestricted low-level simulation.
